

# AWARD WINNING BROWN'S HAGGIS

## FROM THE LANCASHIRE HAGGIS COMPANY

**Celebrating Burns Night  
on 25 January 2019**

Our Lancashire Haggis is a modern interpretation of a centuries old classic. It is much lighter and more delicately seasoned than its Scottish cousin and so better suited to today's more discerning palate. It's real comfort food, warm, satisfying and young and old agree - ours is better.
